* Source: van Dijk, Manchin, van Kesteren & Hideg (2007) The Burden of Crime in the EU, A comparative Analysis of the European Survey of Crime and Safety (EUICS 2005). Gallup-Europe, Br

**Averages apply to all surveys participating in a sweep of surveys, since not every country participated every time, these averages need to be interpreted with caution (UK excluded to avoid doubt)

*** Satisfaction percentages apply to very few cases since number of victimizations are relatively low and reporting rates for these crimes are low, percentages need to be interpreted with caution.
